## MEMORANDUM FOR MPFs/DPM

FROM: HQ ARPC/DPBB  
6760 E Irvington Place #2020  
Denver CO 80280-2020

SUBJECT: FY07 Air Force Reserve Line and Health Professions Major Promotion Selection Boards - V0407A, W0407A, U0407A

Attached are alphabetical listings of the Air Force Reserve officers selected or nonselected for promotion to the grade of major (attachments 1 through 4). The selection boards convened in accordance with Title 10, U.S.C. and AFI 36-2504 at Headquarters Air Reserve Personnel Center (ARPC).

**Public release is 2 May 2006.** Please do not inform officers of their status until public release date. Until that time, all attachments are "For Official Use Only" and may be seen only by those officials responsible for administrative processing of the lists. In accordance with the Privacy Act of 1974, disclosure of the select list containing Social Security Numbers (SSNs) without the consent of **all** individuals on the list is an invasion of privacy. As a result, the lists **cannot** be publicly displayed until the "For Official Use Only" designation and SSNs are removed.

Officers not selected for promotion by the mandatory board are considered "to have failed of selection for promotion" as defined by Title 10, U.S.C., Section 14501. Those officers are identified at attachment 2. The nonselect lists are provided to permit full accounting for all candidates and **cannot be displayed or released at any time.**

Military Personnel Flights (MPFs) are responsible for extracting the select/nonselect listing from the Promotion Recommendation In-Board Support Management (PRISM) system and furnishing unit commanders the names of their officers selected and nonselected for promotion prior to the public release date. There are various ways to pull the selects/nonselects listing, so we encourage you to ensure you have accounted for all candidates supported by your base. Commanders are required to notify those candidates as well as continue to evaluate officers selected and ensure propriety of promotion. A sample letter to notify Reservists (other than AGR) of promotion can be found in AFI 36-2504, attachment 6. If it becomes appropriate to involuntarily delay an officer's promotion or to remove an officer's name from a select list, comply with AFI 36-2504, chapter 7. Such actions must be initiated prior to the effective date of promotion. Should voluntary delay of promotion be appropriate, see AFI 36-2504, chapter 8.

The Date of Rank (DOR) and Promotion Effective Date (PED) for officers including Limited Extended Active Duty (LEAD) selected from the mandatory board will be the date the officers complete the required time in grade (TIG), 7 years, or 1 October 2006, whichever is later.

Commanders may nominate their selectees for accelerated promotion if they satisfy the eligibility requirements specified in AFI 36-2504 paragraph 6.5. A format of the request letter can be found in AFI 36-2504, attachment 5. Accelerated promotions are effective upon the date designated by the senior rater, (a minimum of 2 business days after receipt of acceleration

request) unless the officer does not meet the specified requirements. If HQ ARPC/DPBPE determines the officer is not qualified for accelerated promotion, the senior rater will be notified.

Attachment 3 to this letter reflects those officers selected for PV promotion. The PED and DOR for PV selectees will be the date the officers complete the required TIG, 4 years, public release of the results, or signature by the approval authority, whichever is later. For the PV promotion to be effective, officers must be assigned to the position for which recommended. Selectees not in the position for which recommended will be removed from the select list.

An officer selected for promotion is considered to have accepted the promotion on the PED unless the officer expressly declines the promotion. An officer must submit a declination statement IAW AFI 36-2504, chapter 8 no later than 2400 on the day before the PED.

HQ ARPC/DPBPE will publish all promotion orders and distribute in accordance with AFI 36-2504, para 5.12. Requests for missing orders should be addressed to HQ ARPC/DPSD2.

Officers not selected for promotion by the mandatory board are considered “to have failed of selection for promotion” as defined by Title 10 U.S.C. Sec 14501. Officers who have failed of selection from this board are listed at attachment 2. Attachment 4 identifies officers nonselected for position vacancy. An officer considered for PV and not selected shall not be considered to have failed selection for promotion IAW Title 10, U.S.C. 14315 (d).

First-time nonselected Air Force Reserve officers will be advised by letter from HQ ARPC/DPB in addition to the notification by their immediate commander.

Officers twice deferred will be notified of their nonselection (HQ ARPC/DPP) and receive a mandatory separation date effective the first day of the seventh month after the month the approval authority approved the results of the promotion board.

A listing of all officers who served on the board, the alphabetical list of selects, and a statistical summary can be found at <http://arpc.afrc.af.mil/promotions/officer/maj/default.asp> no later than the day after public release.

The codes listed in the Comp Cat (competitive category) column on the select and nonselect lists are defined as follows:

A – LINE	N - NURSE CORPS
D - DENTAL CORPS	S - MEDICAL SERVICE CORPS
M - MEDICAL CORPS	W - BIOMEDICAL SCIENCES CORPS
